

GRAVOGRAPH

Dedicace™

By Gravograph

Your handwriting. Your engraving.

DEDICACE

Expression. With Dedicace, put pen to paper to create a special message or drawing. The unique, patent-pending Dedicace solution engraves your design exactly the way you create it.

Distinctive. Engraving personalizes and enhances the sentimental value of a gift; handwritten engraving adds a touch of intimacy. Dedicace involves you directly in the fun, easy creative process.

Free hand, free style

Intuitive. Turn a simple gift into a keepsake to treasure in just 5 quick steps. 1. **Choose** the template that best suits the size and shape of your gift. 2. **Create** your design on the magic paper. 3. **Check** you are satisfied with your design. 4. **Click** to engrave. 5. and **Enjoy!**

Clever. This innovative solution takes the difficulty out of engraving for great results each and every time. Dedicace can even be operated with a touch screen PC. No keyboard skills, programming, or complicated engraving settings required.

Atractive. Dedicace solution achieves outstanding inscriptions on metallic, glass, wood and leather gifts.

Collaboration. Dedicace is the fruit of long-term project between reputed chain stores and Gravograph. If you are interested in engraving a gift with Dedicace, look out for Dedicace in local outlets. Or, if you would like more information about installing the Dedicace solution in your shop, contact your local Gravograph team for more information.

Eternal. Create a unique, personal message that will last a lifetime.

Dedicace. One-of-a-kind.
